# Get to Know the Letter "A"

Decorate the uppercase and lowercase letters.

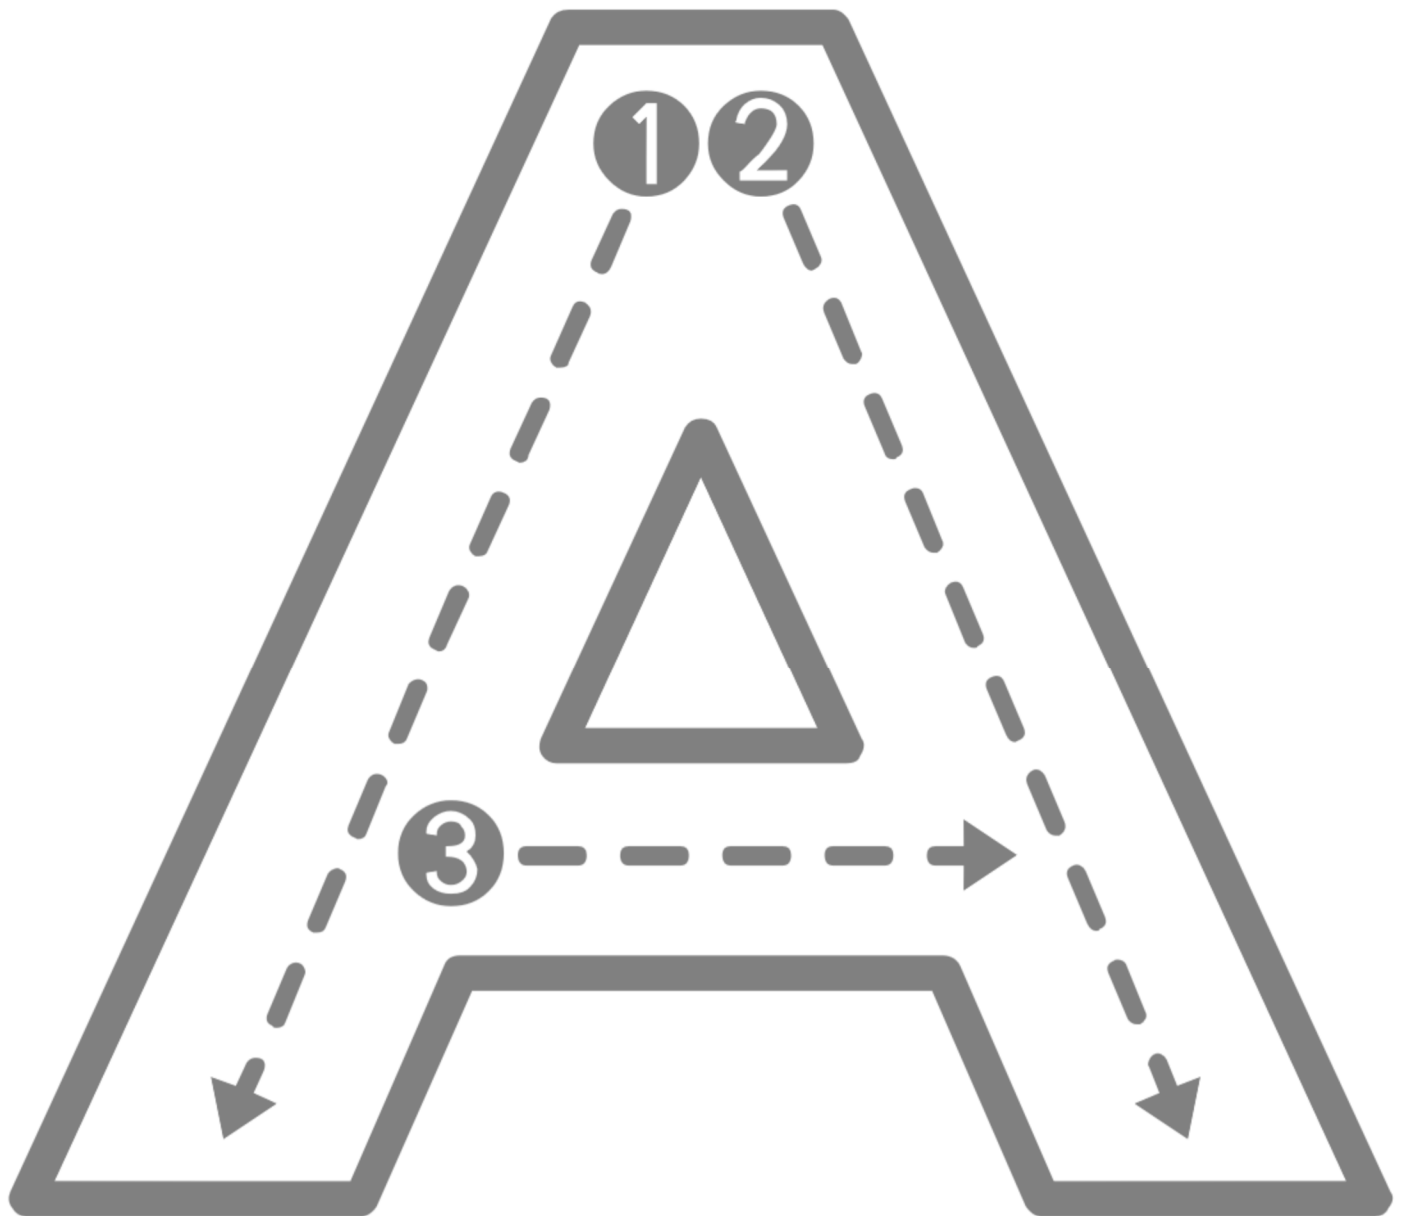

# Meet "Big A"

## also called "Uppercase A"

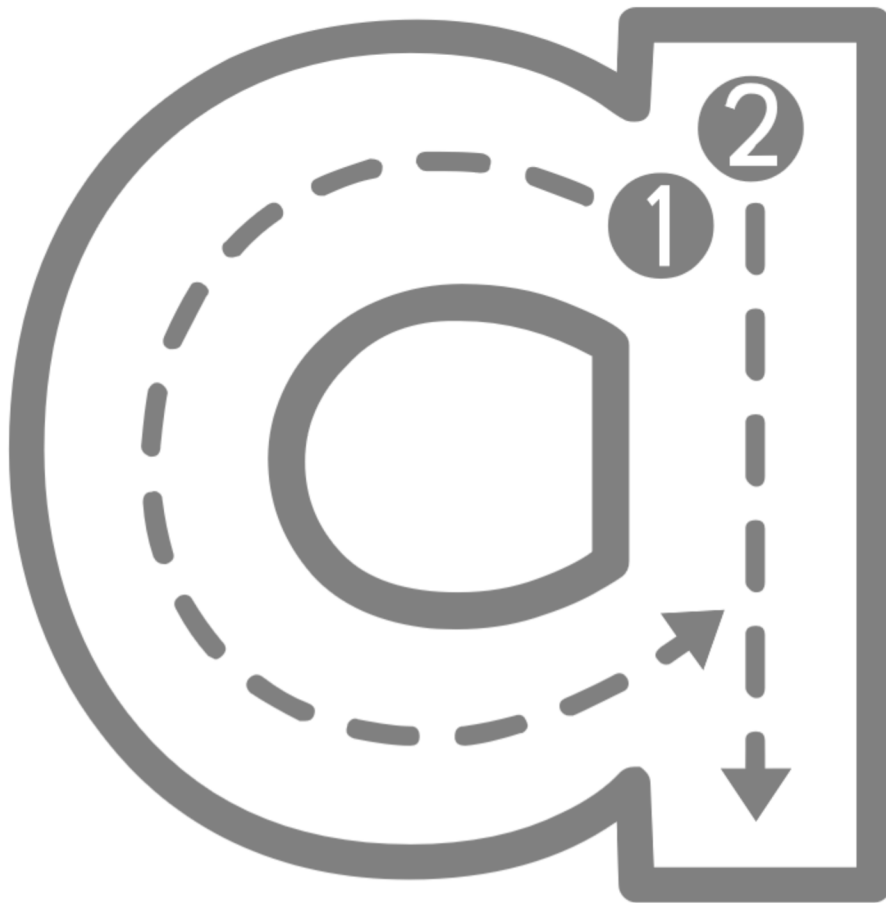

Trace the shape with your finger. Start with the number 1 and follow the lines.

# Meet "Little a"

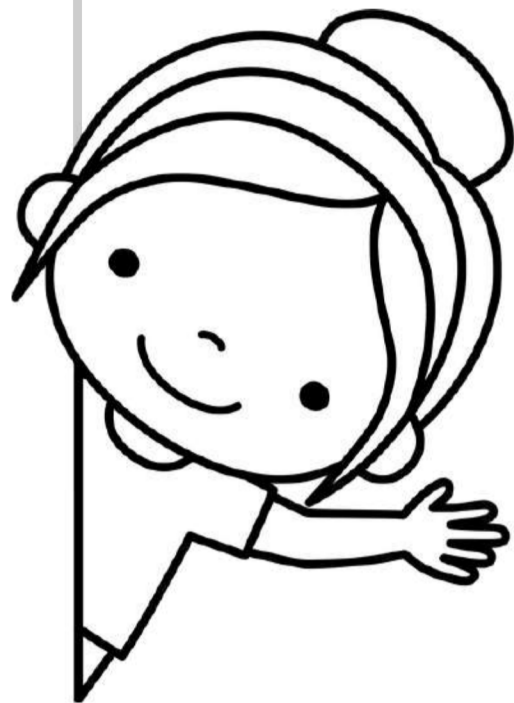

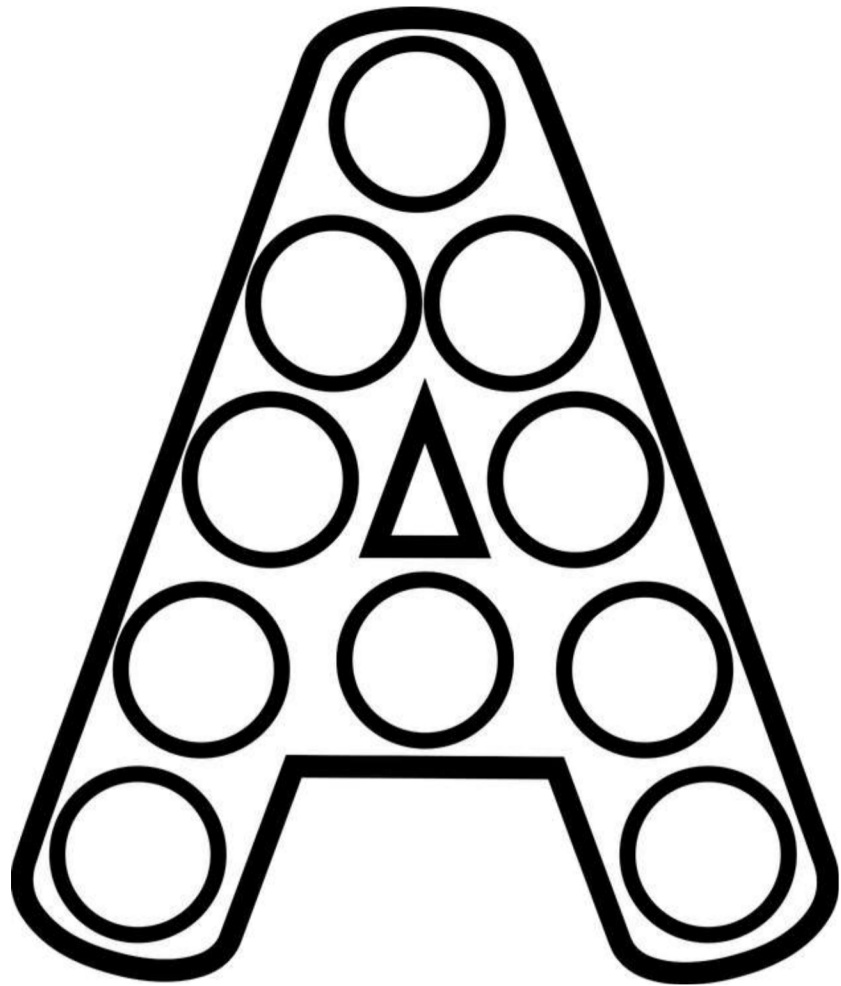

## also called "Lowercase a"

Trace the shape with your finger. Start with the number 1 and follow the lines.

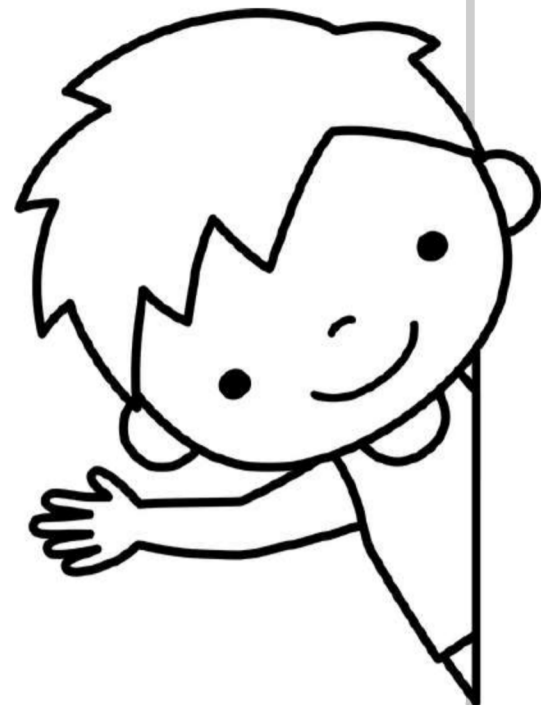

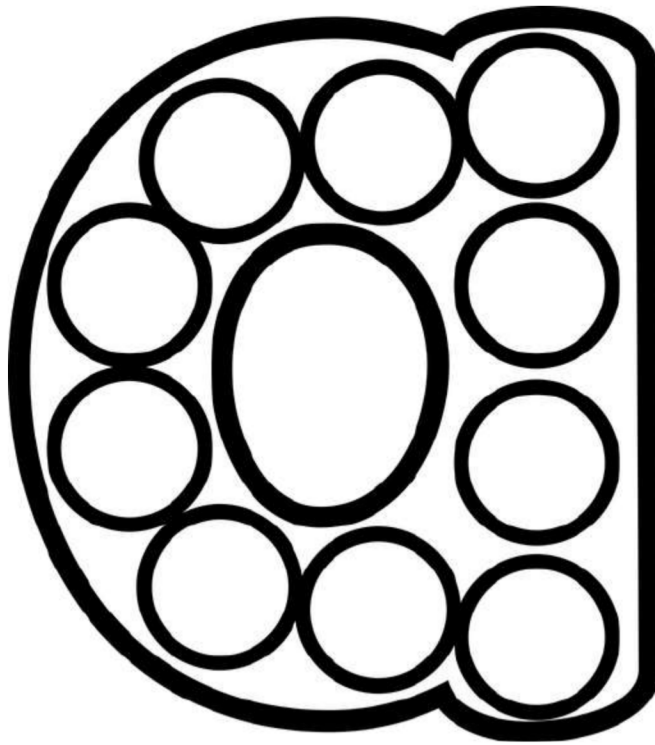

# Dot the Letter "A"

Color the circles, use a dab marker, cover the dots with pom poms or coins, or fill in the circles another way to build the uppercase (also called a capital) letter.

# Dot the Letter "a"

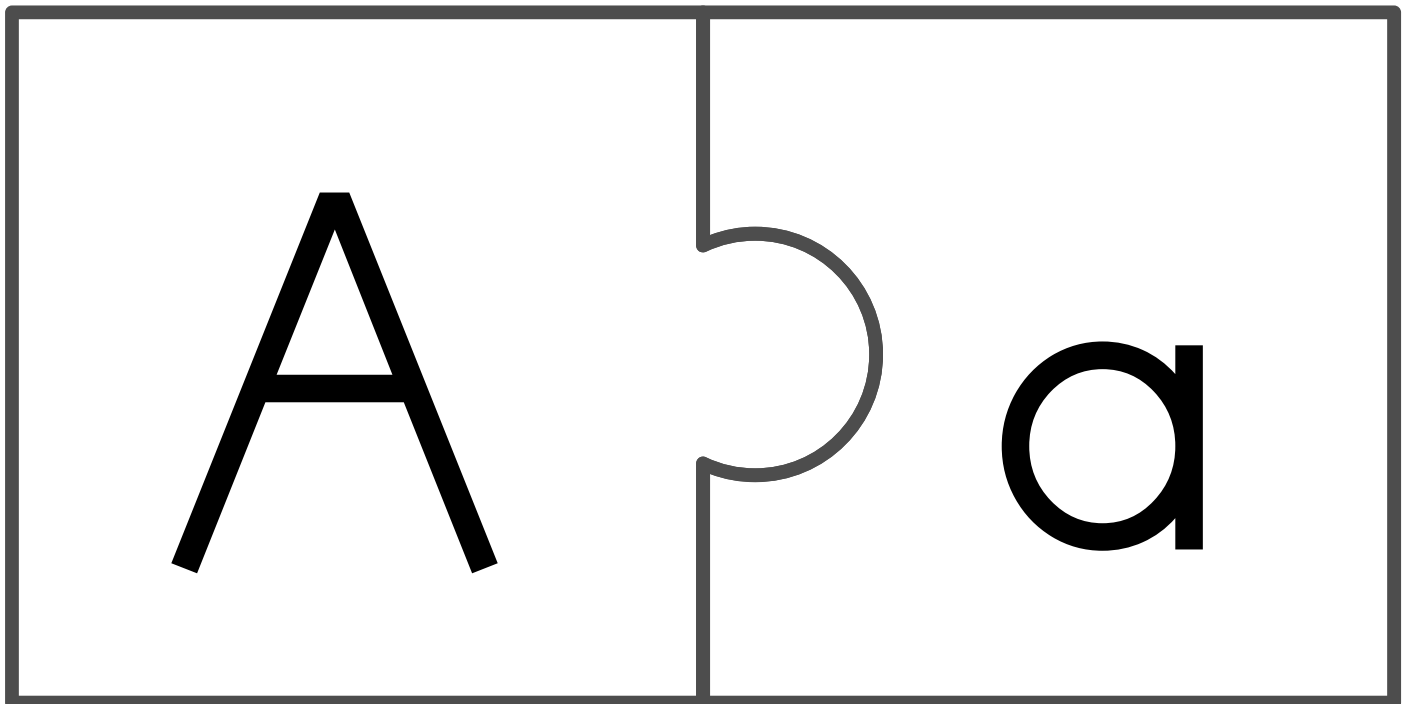

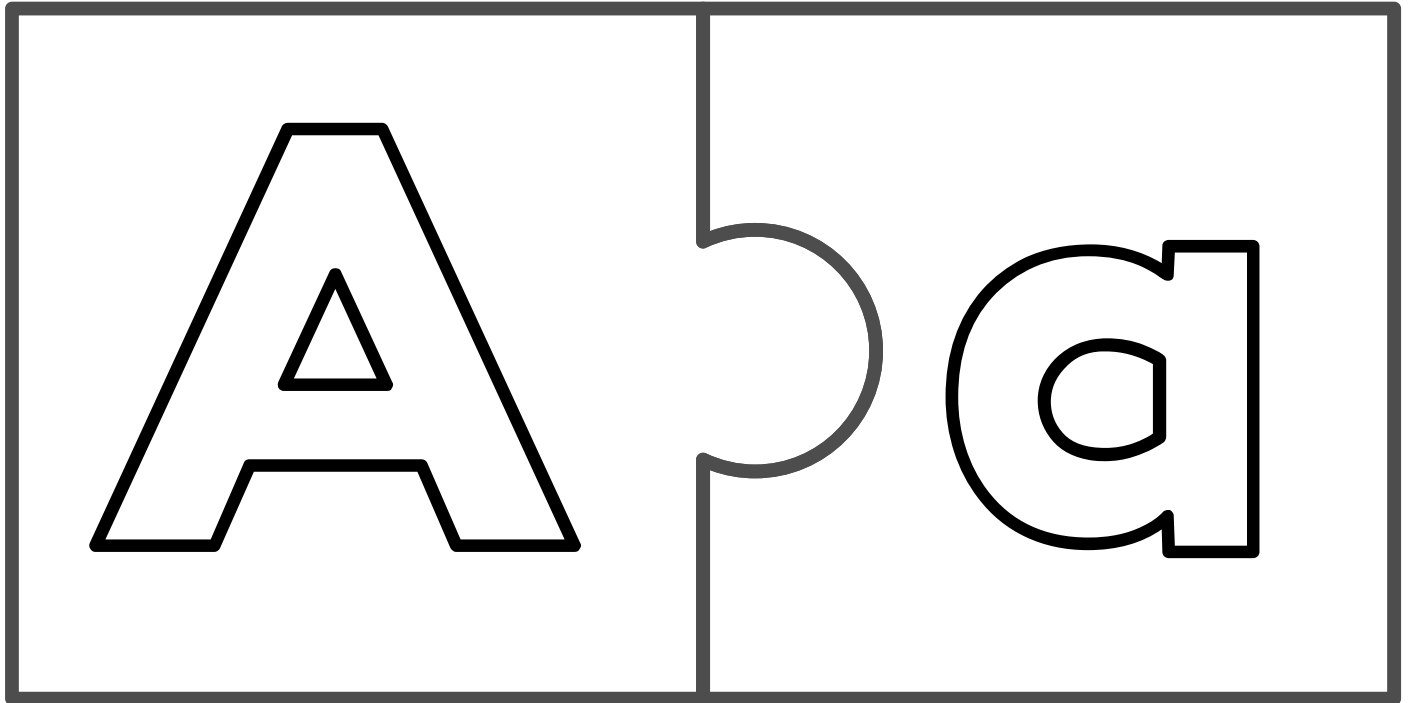

Color the circles, use a dab marker, cover the dots with pom poms or coins, or fill in the circles another way to build the lowercase letter.

# Puzzle Practice

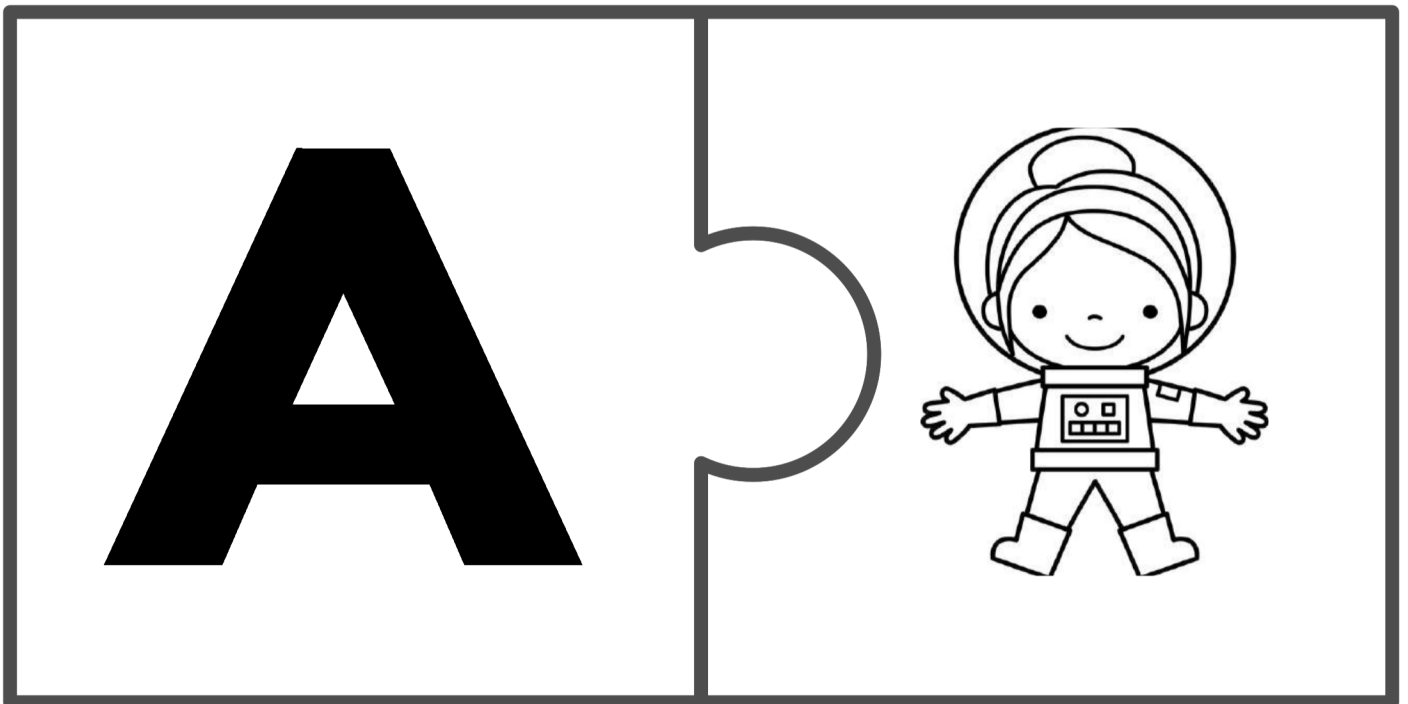

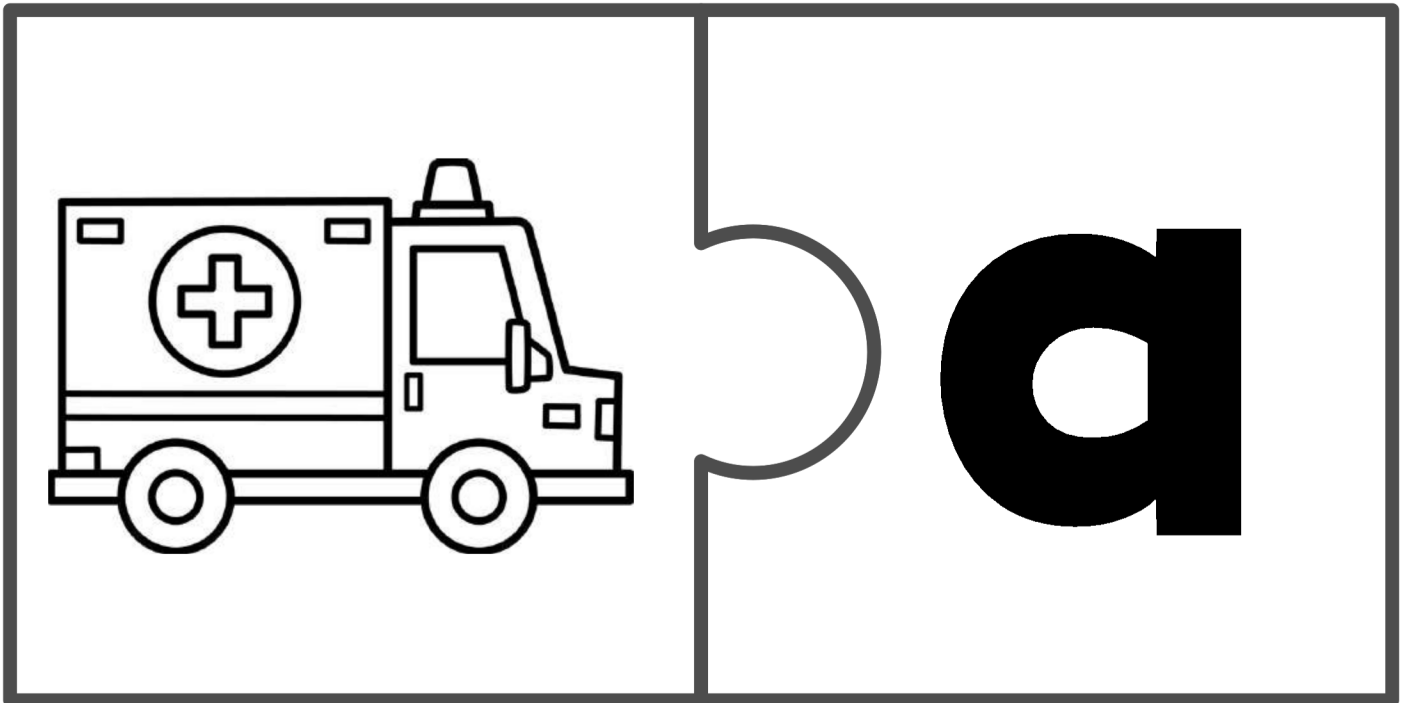

Color the puzzle pieces, then cut them out.

Save them to continue practicing uppercase and lowercase letter matching.

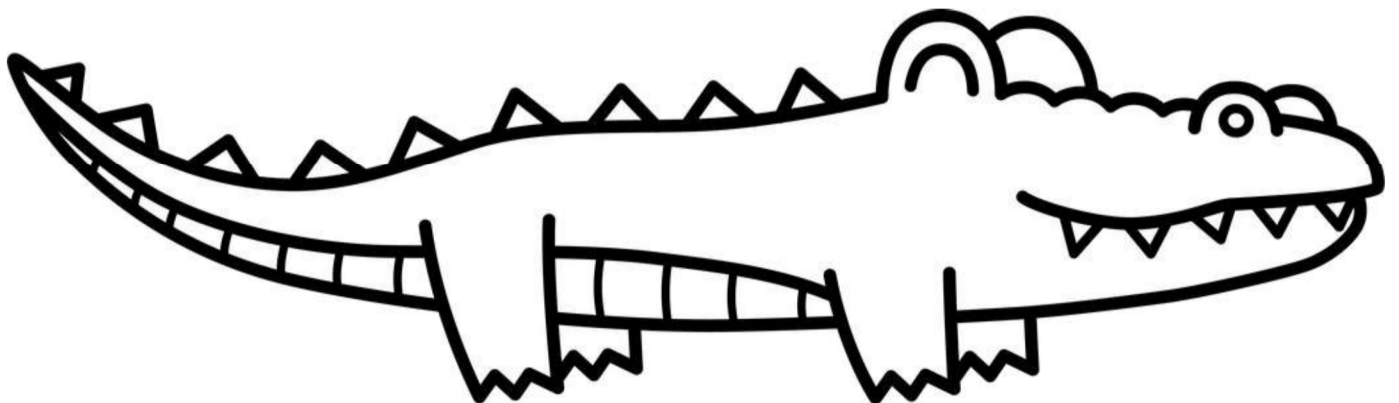

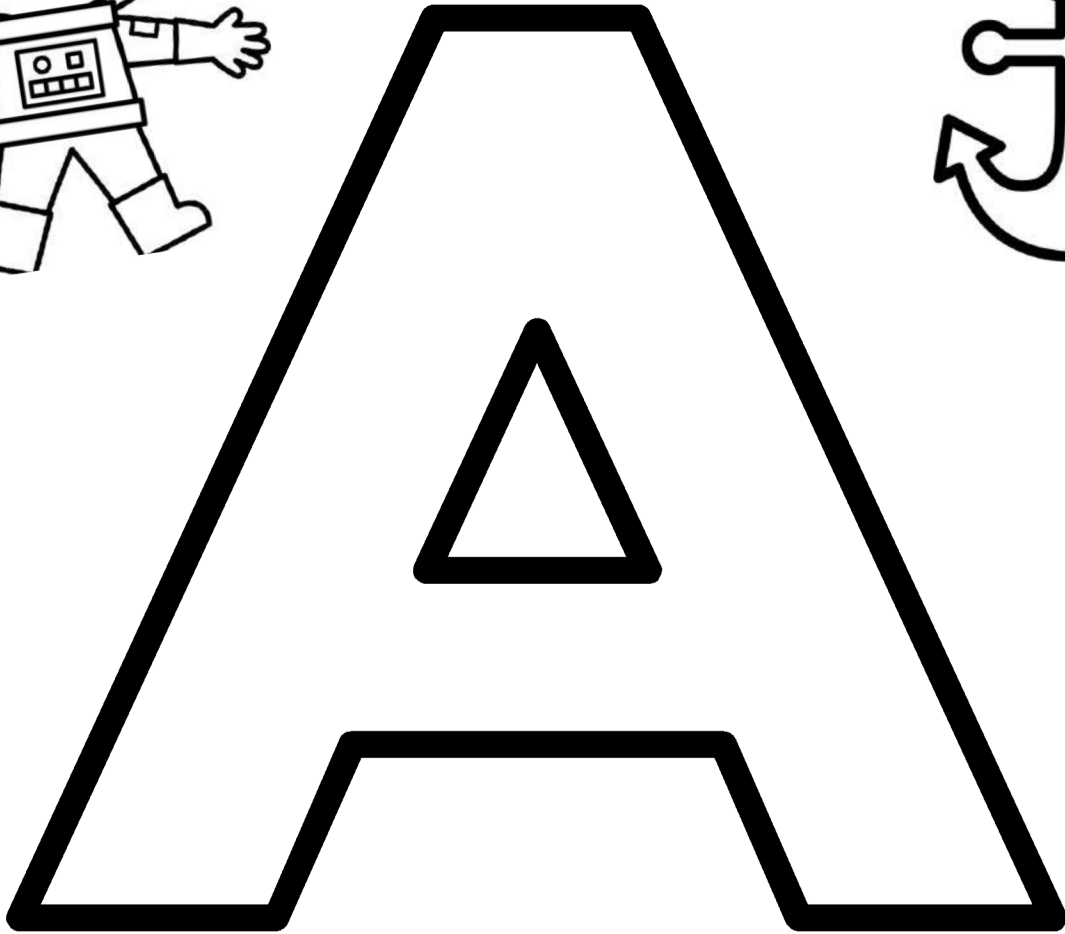

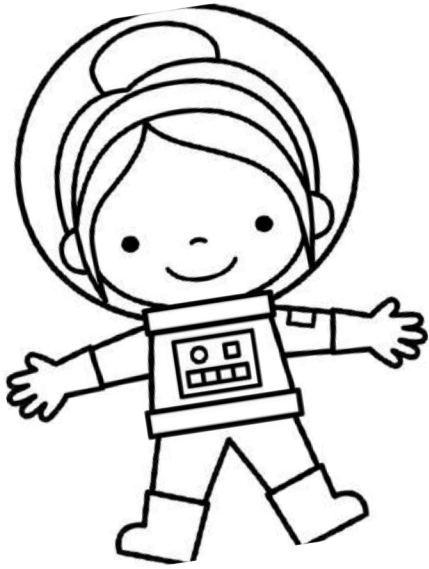

# Puzzle Practice

Color the puzzle pieces, then cut them out. Save them to continue matching letters with beginning sounds. When your child has mastered this, you can make the game more advanced by removing the letters and letting them match two words with the same beginning sounds.

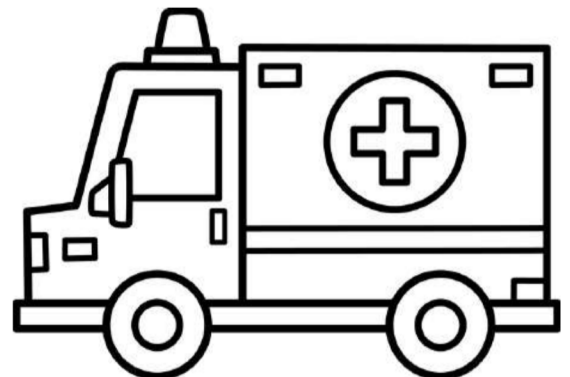

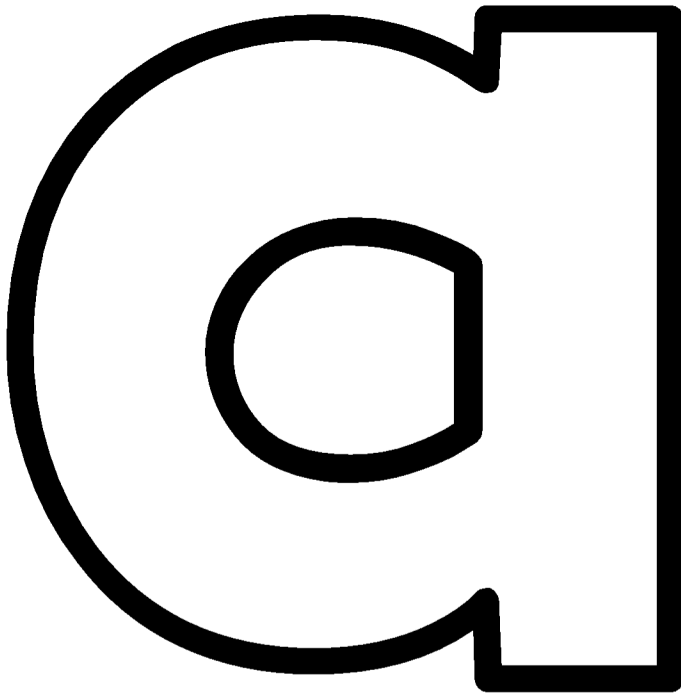

Each of these items starts with the "a" sound. Say their names out loud!

Color the items and hang up your picture. Practice the "a" sound.

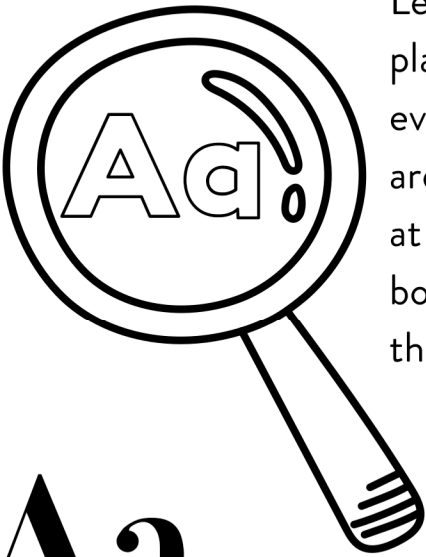

Each of these items starts with the "a" sound. Say their names out loud!  
Color the items and hang up your picture. Practice the "a" sound.

# Let's Look at "A"

Letters can look different in different places. It's good to recognize the letter "A" even when it doesn't look the same. Here are some ways the letter "A" can look. Look at them carefully! Next, get out a story book and see how many times you can find the letter "A" or "a" in the book.
